Petition for Additional Claim Fee of \$43 for 1 Independent Claims Over 3
(Under 37 CFR 1.17(h))

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

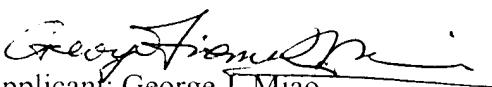

Sir:

In response to the notice to file missing parts of nonprovisional application mailed 2004 January 23, with respect to additional claim fees of \$43 for 1 independent claim over 3, applicant respectfully petitions that the USPTO reexamines the missing item of the “\$43 for 1 independent claim over 3” since the applicant already paid the “\$42 for 1 independent claim over 3” that was required in the USPTO notice mailed 2003 October 14. The USPTO cashed the \$42 check (the check number of 751) already. Thus, the applicant paid the “\$42 for 1 independent claim over 3” to the USPTO on October 27, 2003.

For the evidence of such deposition of the “\$42 for 1 independent claim over 3” in the USPTO, the applicant includes: (1) a copy of the Return Receipt Postcard in which states the additional claim fee \$42 in the above application package; (2) a copy of the check \$42 that the USPTO cashed; (3) a copy of the USPTO notice of omitted items in a nonprovisional application with respect to the “\$42 for 1 independent claims over 3” mailed 2003 October 14; (4) a copy of the additional claim fee due that the applicant mailed to the USPTO on October 27, 2003.

Therefore, the applicant expects to have a withdrawal notice of the missing parts about “\$43 for 1 independent claims over 3” once the USPTO determines that the item of the “\$42 for 1 independent claims over 3” was received on October 27, 2003.

Very respectfully,

Applicant: George J. Miao
